OLD BUSINESS	
Member rosters due	RS - Updates from clubs
NEW BUSINESS	

Participant / Volunteer Engagement & Retention	More required. EL to talk to FSAE team. TC - Get a list of items for feedback that we need to get from solo committee group and walk around and get in person responses at events. DB - Do we need a prize? TC - I think that stuff (Prizes) is largely Ignored PB - Asks who is going to put this list of questions together? GC - **Volunteers to put together the list** **later** Group - Discussing dwindling revenue and possible options for getting more participation not limited to, dropping champ days, doing two day champs splitting classes and getting more runs. EL says all novices have no want to do champ days, we all agree it's a younger mentality.
New Dates	TC - new dates were approved via Email (PB sent these dates to Cal Club and will follow-up with Anthony Porta) most other topics *rattled off* were discussed already. Group - Discussed moving season end/start to June overwhelmingly people felt to keep Jan - Dec
Misc	Group / DB - Why are white cards still in place? ES - Spoke to the needs of white cards until the error rate dealing with inconsistencies to use of MSR data (Cars wrong, Class issues stemming from Axware import), also being able to validate data sometimes is worse because of physical issues such as wrong number on car and easier to search for a card to figure it out.
ADJOURNED	8:21 PM - GC - Moving Meeting back but asking for in-person 7pm on 8-27 possibly at JBA (Robbie will org?)
