The Committee shall notify both the observer and the participant of the date, place, and time of review by the Committee of the complaint. If, in the opinion of the Committee, the complaint is justified based on evidence presented, the participant shall be disqualified from the event and prohibited from participation in at least the next two consecutive Championship events.

3.7 Event Results

3.7.1 Final event results shall be published within 14 days of the event.

3.7.2 Results shall include the name of the event, type of event, date, place, entrant's name, Solo number, vehicle model, class, Club affiliation, net time of each run, penalty for each run (if any), position in class, designation of trophy winners, designation of top time of day, top time of day ladies, and top time of day indexed (PAX) drivers.

3.8 Safety Inspections

All vehicles must pass safety inspection prior to competing. Entry fees, if already paid, will be refunded if a vehicle fails to pass safety inspection. Safety inspection is not concerned with the legality of a vehicle.

3.8.1 The Solo Chair will appoint a Tech Chair to oversee the annual safety inspection process.

3.8.2 An annual safety inspection (optional) for a calendar year may be available for vehicles presented for inspection by an SCCA member with an annual San Diego Region Solo number. When a vehicle has completed the requirements for an annual safety inspection, two official Annual Tech stickers will be issued. The first sticker will be placed on the vehicle and the second sticker will be placed on the back of the member's SCCA membership card. Co-driver(s) of the vehicle will be issued one Annual Tech sticker to be placed on the back of their SCCA membership card.

3.8.3 Annual Tech should be honored for all sanctioned Solo events in the San Diego Region.

3.8.4 The following conditions apply to annual safety inspection:

- B. The vehicle should be presented for annual safety inspection in the same condition in which it will compete.
- C. It is the responsibility of all entrants in a vehicle with an annual safety inspection approval to verify that all items in the National SCCA Solo Rules and Regulations are in compliance.

- G. Annual Safety Inspection sticker may be issued, at the discretion of the Tech Chair, at any time throughout the year.
- H. All Annual Safety Inspection stickers will expire at the end of the calendar year for which they were issued.

3.8.5 When registering for an event, the holder of an Annual Tech sticker will show their SCCA membership and Annual Tech Sticker to the event registration staff. The event-specific vehicle tech sticker will be issued to that participant at registration.
